

### Pickleball is here!

Pickleball is a racquet sport that combines elements of badminton, tennis, and table tennis. Two, three, or four players use solid paddles made of wood or composite materials to hit a perforated ball, similar to a wiffle ball, over a net. The sport shares features of other racquet sports, the dimensions and layout of a badminton court, and a net and rules similar to tennis. Pickleball was invented in the mid -1960s but has become popular over the last decade.

After much interest we have installed two Pickleball courts in the same location where the tennis courts were formerly located. We have committed to a 2 year test run and your feedback is encouraged. Equipment can be signed out from the security department.

As we enter our busy season, here are a few reminders:

**Do:** Remind condo occupants that there is no smoking in the units or on the balconies.

**Do:** Remind guests and renters to use the trash chutes located in the north stairwell

**Don't:** Use trash chutes for renovation items

**Do:** Have your housekeepers take 5 minutes to clean your bayside balcony when they are servicing your units.

**Do:** Come to the office to meet our Summer Assistant Tamara Mitrovic!

**DO: HAVE A GREAT SUMMER 😊**
