**Re:**              **Bayside Screen Doors**

**The Board of Directors has made the decision that the Carousel Center Condominium Association will offer a bayside balcony screen door to all unit owners who wish to have one installed at no additional cost to the owner.**

**The decision was made to allow one type/color of bayside balcony screen door to be installed on all condominiums. The door is a white light weight Aluminum door with a kick plate that is approximately 32 5/8 inch with screen at the top of the door. This will be the only type screen door that will be allowed on the bayside balcony.**

**It is necessary for us to order the doors in a bulk order so that we can get the best price. If you would like to have a screen door installed, please contact me by November 30, 2014 so that we can place the order and have the doors installed. You may email your response to me [ruby.halligan@carouselhotel.com](mailto:ruby.halligan@carouselhotel.com) or call me at 800-773-8362.**

**If you have any questions, please feel free to contact me either by phone or email.**
